Grand Knight's Korner July 2018

We are now in the first month of our Fraternal Year. In May we elected new officers for the new year starting July 2018. As I finished my fourth year as your Grand Knight I want to say thank you to all my officers and to you, my Brother Knights, for the support and participations over these years.

Looking back over just this last year we held a number of events. From our Chili Pot Luck to Fish Fry's during Lent, we had a good time getting parishioners of St. Martin of Tours to come out and enjoy a meal while supporting our charities.

Looking ahead, I ask all of you to support your new officers in their roles. I also ask the officers to continue to educate yourself about the role you now have. I have been happy to see the Supreme Council add more and more to their web site, including training videos. These videos provide an easy way to receive tailored education for you officer position. They also now have Webinars to educate officers. Take advantage of these.

Our order has now added online membership. It's meant to allow busy working individuals a way to join and then receive the benefits of the Knights of Columbus. Members that join in this manner can attend meetings and are offered the insurance programs offered by the K of C.

This is also a way for younger men to join and then eventually take the degrees and to be associated directly with a council. If you have a candidate but can't get them to commit to a meeting or an initiation date ask them to try E-Membership. Try: www.kofc.org/joineus

This year we added three new members. This month we had two Knights from our council step up to join the Forth Degree and take the Patriotic Degree. They join the Bishop Thomas E Gill assembly in Federal Way.

March for Life

This year St. Martin of Tours Council produced these crosses. We received help from the youth group at our church in putting these crosses with yarn in small plastic bags.

The color of the cross reminds us of the color of the blood of the victims of abortion.

As Knights we thank all the youth for their help and proudly sponsored some of them as they travel to Oregon to Mt. Angle for a summertime mission trip.

We want to welcome Fr. Anh Tran to our Church. He is living in the new rectory in Puyallup and will help say masses in our churches.

As I turn over the gavel to Terry Faherty and this newsletter I say thanks for the help. I am not leaving just changing roles.
